COMMITTEE RULES

(Adopted February 2, 1983)

H642-3

Rules for the Committee on Public Works and Transportation

Rule No. I.—General Provisions.

(a) The Rules of the House are the rules of the committee and subcommittees so far as applicable, except that a motion to recess from day to day is a motion of high privilege in committees and subcommittees. Each subcommittee of the committee is a part of the committee, and is subject to the authority and direction of the committee and to its rules so far as applicable.

(b) The committee is authorized at any time to conduct such investigations and studies as it may consider necessary or appropriate in the exercise of its responsibilities under Rule X of House Rules and (subject to the adoption of expense resolutions as required by Rule XI, clause 5 of House Rules) to incur expenses (including travel expenses) in connection therewith.

(c) The committee is authorized to have printed and bound testimony and other data presented at hearings held by the committee. All costs of stenographic services and transcripts in connection with any meeting or hearing of the committee shall be paid from the contingent fund of the House.

(d) The committee shall submit to the House, not later than January 2 of each odd-numbered year, a report on the activities of the committee under Rule X and XI of House Rules during the Congress ending at noon on January 3 of such year.

(e) The committee's rules shall be published in the Congressional Record not later than 30 days after the Congress convenes in each odd-numbered year.

Rule No. II.—Regular and Special Meetings; Open Committee Meetings.

(a) Regular meetings of the committee shall be held on the first Tuesday of every month to transact its business unless such day is a holiday, or Congress is in recess or is adjourned, in which case the Chairman shall determine the regular meeting day of the committee for that month. The Chairman shall give each member of the committee, as far in advance of the day of the regular meeting as the circumstances make practicable, a written notice of such meeting. If the Chairman believes that the committee will not be considering any bill or resolution before the full committee and that there is no other business to be transacted at a regular meeting, the meeting may be cancelled, delayed or deferred until such time as, in the judgment of the Chairman, there may be such matters which require the committee's consideration. This paragraph shall not apply to meetings of any subcommittee.

(b) The Chairman may call and convene, as he considers necessary, additional meetings of the committee for the consideration of any bill or resolution pending before the committee or for the con-

duct of other committee business. The committee shall meet for such purpose pursuant to that call of the Chairman.

(c) If at least three members of the committee desire that a special meeting of the committee be called by the Chairman, those members may file in the offices of the committee their written request to the Chairman for that special meeting. Such request shall specify the measure or matter to be considered. Immediately upon the filing of the request, the clerk of the committee shall notify the Chairman of the filing of the request. If, within three calendar days after the filing of the request, the Chairman does not call the requested special meeting to be held within 7 calendar days after the filing of the request, a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held, specifying the date and hour thereof, and the measure or matter to be considered at that special meeting. The committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the committee shall notify all members of the committee that such meeting will be held and inform them of its date and hour and the measure or matter to be considered; and only the measure or matter specified in that notice may be considered at that special meeting.

(d) If the Chairman of the committee or subcommittee is not present at any meeting of the committee or subcommittee the ranking member of the majority party on the committee or subcommittee who is present shall preside at that meeting.

(e) The committee may not sit, without special leave, while the House is reading a measure for amendment under the five-minute rule.

(f) (1) Each meeting for the transaction of business, including the markup of legislation, of the committee or each subcommittee thereof shall be open to the public except when the committee or subcommittee, in open session and with a majority present, determines by roll call vote that all or part of the remainder of the meeting on that day shall be closed to the public: Provided, however, that no person other than members of the committee and such congressional staff and such departmental representatives as they may authorize shall be present at any business or markup session which has been closed to the public. This paragraph does not apply to open committee hearings which are provided for by clause 4(a)(1) of House Rule X or by subparagraph (2) of this paragraph, or to any meeting that relates solely to internal budget or personnel matters.

(2) Each hearing conducted by the committee or each subcommittee thereof shall be open to the public except when the committee or subcommittee, in open session and with a majority present, determines by roll call vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security or would violate any law or rule of the House of Representatives.

Notwithstanding the requirements of the preceding sentence, a majority of those present, there being in attendance the requisite number required under the rules of the committee to be present for the purpose of taking testimony,

(A) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security or violate clause (g) (5) of Rule VII, or

(B) may vote to close the hearing, as provided in clause (g) (5) of Rule VII.

No member of the House of Representatives may be excluded from nonparticipatory attendance at any hearing of the committee or any subcommittee, unless the House of Representatives shall by majority vote authorize the committee or a particular subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to members by the same procedure designated in this subparagraph for closing hearings to the public; Provided, however, that the committee or subcommittee may by the same procedure vote to close one subsequent day of hearings.

Rule No. III.—Records and Roll Calls.

(a) There shall be kept in writing a record of the proceedings of the committee and of each subcommittee, including a record of the votes on any question on which a roll call is demanded. The result of each such roll call vote shall be made available by the committee for inspection by the public at reasonable times in the offices of the committee. Information so available for public inspection shall include a description of the amendment, motion, order or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and whether by proxy or in person, and the names of those members present but not voting. A record vote may be demanded by one-fifth of the members present.

(b) All committee hearings, records, data, charts, and files shall be kept separate and distinct from the congressional office records of the member serving as Chairman of the committee; and such records shall be the property of the House and all members of the House shall have access thereto.

Rule No. IV.—Proxies.

(a) A vote by any member in the committee or in any subcommittee may be cast by proxy, but such proxy must be in writing. Each proxy shall designate the member who is to execute the proxy authorization and shall be limited to a specific measure or matter and any amendments or motions pertaining thereto; except that a member may authorize a general proxy only for motions to recess, adjourn or other procedural matters. Each proxy to be effective shall be signed by the member assigning his vote and shall contain the date and time of day that the proxy is signed. Proxies may not be counted for a quorum.

(b) Proxies shall be in the following form:

Hon. _____,
House of Representatives,
Washington, D.C.

Dear _____: Anticipating that I will be absent on official business or otherwise unable to be present, I hereby authorize you to vote in my place and stead in the

consideration of _____ and any amendments or motions pertaining thereto.

_____,
Member of Congress

Executed this the _____ day of _____, 19_____, at the time of _____ p.m./a.m.

Rule No. V.—Power To Sit and Act; Subpoena Power.

(a) For the purpose of carrying out any of its functions and duties under House Rules X and XI the committee, or any subcommittee thereof, is authorized (subject to subparagraph (b) (1) of this paragraph)—

(1) to sit and act at such times and places within or without the United States, whether the House is in session, has recessed, or has adjourned, and to hold such hearings, and

(2) to require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers, and documents

as it deems necessary. The Chairman of the committee, or any member designated by the Chairman, may administer oaths to any witness.

(b) (1) A subpoena may be issued by the committee or subcommittee under subparagraph (a) (2) in the conduct of any investigation or activity or series of investigations or activities, only when authorized by a majority of the members voting, a majority being present. Such authorized subpoenas shall be signed by the Chairman of the committee or by any member designated by the committee. If a specific request for a subpoena has not been previously rejected by either the committee or a subcommittee, the Chairman of the committee, after consultation with the ranking minority member, may authorize and issue a subpoena under subparagraph (a) (2) in the conduct of any investigation or activity or series of investigations or activities, and such subpoena shall for all purposes be deemed a subpoena issued by the committee. Whenever a subpoena is issued under this subparagraph, as soon as practicable thereafter, the Chairman shall notify all members of the committee of such action.

(2) Compliance with any subpoena issued by the committee or subcommittee under subparagraph (a) (2) may be enforced only as authorized or directed by the House.

(c) Each witness who has been subpoenaed, upon the completion of his testimony before the committee or any subcommittee, may report to the office of counsel of the committee, and there sign appropriate vouchers for travel allowances and attendance fees. If hearings are held in cities other than Washington, D.C., the witness may contact the counsel of the committee, or his representative, prior to leaving the hearing room.

Rule No. VI.—Quorums.

(a) One-third of the members of the committee or a subcommittee shall constitute a quorum for taking any action other than the closing of a meeting pursuant to subparagraph (f) of committee

Rule II, the authorizing of a subpoena pursuant to subparagraph (b) of committee Rule V, the reporting of a measure or recommendation pursuant to subparagraph (b) (1) of committee Rule VIII, and the actions described in subparagraph (b), (c) and (d) of this Rule.

(b) A majority of the members of the committee or a subcommittee shall constitute a quorum for the reporting of a measure or recommendation.

(c) A majority of the members of the committee or a subcommittee shall constitute a quorum for approval of any of the following actions:

(1) Construction, alteration, purchase or acquisition of a public building involving an expenditure in excess of $500,000 and lease of space at an average annual rental in excess of $500,000 (section 2 of P.L. 92–313, 40 U.S.C. 606).

(2) Survey investigation of a proposed project for navigation, flood control, and other purposes by the Corps of Engineers (section 4 of the Rivers and Harbors Act of March 4, 1913, 33 U.S.C. 542).

(3) Construction of a water resources development project by the Corps of Engineers with an estimated Federal cost not exceeding $15,000,000 (section 201 of the Flood Control Act of 1965, as amended).

(4) Continuation of the authorization of a water resources development project to be constructed by the Corps of Engineers where such project has been recommended for deauthorization pursuant to the provisions of section 12 of the Water Resources Development Act of 1974.

(5) Deletion of water quality storage in a Federal reservoir project where the benefits attributable to water quality are 15 percent or more but not greater than 25 percent of the total project benefits (section 65 of the Water Resources Development Act of 1974).

(6) Authorization of a Soil Conservation Service watershed project involving any single structure of more than 4,000 acre feet of total capacity (section 2 of P.L. 566, 83rd Congress, as amended).

(d) Two members of the committee or subcommittee shall constitute a quorum for the purpose of taking testimony and receiving evidence.

Rule No. VII.—Hearing Procedures.

(a) The Chairman, in the case of hearings to be conducted by the committee, and the appropriate subcommittee chairman, in the case of hearings to be conducted by a subcommittee, shall make public announcement of the date, place, and subject matter of any hearing to be conducted on any measure or matter at least one week before the commencement of that hearing unless the committee determines that there is good cause to begin such hearing at an earlier date. In the latter event the chairman or the subcommittee chairman whichever the case may be shall make such public announcement at the earliest possible date. The clerk of the committee shall promptly notify the Daily Digest Clerk of the Congressional Record and shall promptly enter the appropriate in-

formation into the committee scheduling service of the House Information Systems as soon as possible after such public announcement is made.

(b) So far as practicable, each witness who is to appear before the committee or a subcommittee shall file with the clerk of the committee, at least 2 working days before the day of his appearance, a written statement of his proposed testimony and shall limit his oral presentation to a summary of his statement.

(c) When any hearing is conducted by the committee or any subcommittee upon any measure or matter, the minority party members on the committee shall be entitled, upon request to the Chairman by a majority of those minority members before the completion of such hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of hearing thereon.

(d) Upon announcement of a hearing, to the extent practicable the Clerk and Staff Director shall cause to be prepared a concise summary of the subject matter (including legislative reports and other material) under consideration which shall be made available immediately to all members of the committee. In addition, upon announcement of a hearing and subsequently as they are received, the Chairman shall make available to the members of the committee any official reports from departments and agencies on such matter.

(e) All other members of the committee may have the privilege of sitting with any subcommittee during its hearing or deliberations and may participate in such hearings or deliberations, but no such member who is not a member of the subcommittee shall vote on any matter before such subcommittee.

(f) Committee members may question witnesses only when they have been recognized by the chairman for that purpose, and only for a 5-minute period until all members present have had an opportunity to question a witness. The 5-minute period for questioning a witness by any one member can be extended only with the unanimous consent of all members present. The questioning of witness in both full and subcommittee hearings shall be initiated by the chairman, followed by the ranking minority party member and all other members alternating between the majority and minority. In recognizing members to question witnesses in this fashion, the chairman shall take into consideration the ratio of the majority to minority members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the members of the majority nor the members of the minority. The chairman may accomplish this by recognizing two majority members for each minority member recognized.

(g) The following additional rules shall apply to investigative hearings:

(1) The Chairman at an investigative hearing shall announce in an opening statement the subject of the investigation.

(2) A copy of the committee rules and this clause shall be made available to each witness.

(3) Witnesses at investigative hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights.

(4) The Chairman may punish breaches of order and decorum, and of professional ethics on the part of counsel, by censure and exclusion from the hearings; and the committee may cite the offender to the House for contempt.

(5) Whenever it is asserted that the evidence or testimony at an investigatory hearing may tend to defame, degrade, or incriminate any person,

(A) such testimony or evidence shall be presented in executive session, notwithstanding the provisions of clause (f)(2) of Rule No. II, if by a majority of those present, there being in attendance the requisite number required under the rules of the committee to be present for the purpose of taking testimony, the committee determines that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(B) the committee shall proceed to receive such testimony in open session only if a majority of the members of the committee, a majority being present, determine that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

In either case the committee shall afford such person an opportunity to voluntarily appear as a witness; and receive and dispose of requests from such person to subpoena additional witnesses.

(C) receive and dispose of requests from such person to subpoena additional witnesses.

(6) Except as provided in subparagraph (5), the Chairman shall receive and the committee shall dispose of requests to subpoena additional witnesses.

(7) No evidence or testimony taken in executive session may be released or used in public sessions without the consent of the committee.

(8) In the discretion of the committee, witnesses may submit brief and pertinent sworn statements in writing for inclusion in the record. The committee is the sole judge of the pertinency of testimony and evidence adduced at its hearing.

(9) A witness may obtain a transcript copy of his testimony given at a public session or, if given at an executive session, when authorized by the committee.

(10) No major investigation by a subcommittee shall be initiated without approval of a majority of such subcommittee.

Rule No. VIII.—Procedures For Reporting Bills and Resolutions.

(a)(1) It shall be the duty of the Chairman of the committee to report or cause to be reported promptly to the House any measure approved by the committee and to take or cause to be taken necessary steps to bring the matter to a vote.

(2) In any event, the report of the committee on a measure which has been approved by the committee shall be filed within 7 calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the clerk of the committee a written request, signed by a majority of the members of the committee, for the reporting of that measure. Upon

the filing of any such request, the clerk of the committee shall transmit immediately to the Chairman of the committee notice of the filing of that request.

(b)(1) No measure or recommendation shall be reported from the committee unless a majority of the committee was actually present.

(2) With respect to each roll call vote on a motion to report any bill or resolution of a public character, the total number of votes cast for, and the total number of votes cast against, the reporting of such bill or resolution shall be included in the committee report.

(c) The report of the committee on a measure which has been approved by the committee shall include

(1) the oversight findings and recommendations required pursuant to clause 2(b)(1) of Rule X of the House separately set out and clearly indentified;

(2) the statement required by section 308(a) of the Congressional Budget Act of 1974, separately set out and clearly identified, if the measure provides new budget authority or new or increased tax expenditures;

(3) the estimate and comparison prepared by the Director of the Congressional Budget Office under section 403 of such Act, separately set out and clearly identified, whenever the Director (if timely submitted prior to the filing of the report) has submitted such estimate and comparison to the committee; and

(4) a summary of the oversight findings and recommendations made by the Committee on Government Operations under clause 4(c)(2) of Rule X of the House separately set out and clearly identified whenever such findings and recommendations have been submitted to the legislative committee in a timely fashion to allow an opportunity to consider such findings and recommendations during the committee's deliberations on the measure.

(d) Each report of the committee on each bill or joint resolution of a public character reported by the committee shall contain a detailed analytical statement as to whether the enactment of such bill or joint resolution into law may have an inflationary impact on prices and costs in the operation of the national economy.

(e) If, at the time of approval of any measure or matter by the committee, any member of the committee gives notice of intention to file supplemental, minority, or additional views, that member shall be entitled to not less than three calendar days (excluding Saturdays, Sundays, and legal holidays) in which to file such views, in writing and signed by that member, with the clerk of the committee. All such views so filed by one or more members of the committee shall be included within, and shall be a part of, the report filed by the committee with respect to that measure or matter. The report of the committee upon that measure or matter shall be printed in a single volume which—

(1) shall include all supplemental, minority, or additional views which have been submitted by the time of the filing of the report, and

(2) shall bear upon its cover a recital that any such sup-

plemental, minority, or additional views (and any material submitted under subdivisions (3) and (4) of subparagraph (c) are included as part of the report.

This subparagraph does not preclude—

(A) the immediate filing or printing of a committee report unless timely request for the opportunity to file supplemental, minority, or additional views has been made as provided by this subparagraph; or

(B) the filing by any such committee of any supplemental report upon any measure or matter which may be required for the correction of any technical error in a previous report made by that committee upon that measure or matter.

(f) (1) All committee and subcommittee prints, reports, documents, or other materials, not otherwise provided for under Rule VIII, that purport to express publicly views of the committee or any of its subcommittees or members of the committee or its subcommittees shall be approved by the committee or the subcommittee prior to printing and distribution and any member shall be given an opportunity to have views included as part of such material prior to printing, release and distribution in accordance with subparagraph (e) of this rule.

(2) No committee or subcommittee document containing views other than those of members of the committee or subcommittee shall be published without approval of the committee or subcommittee.

Rule No. IX.—Oversight.

(a) In order to assist the House in:

(1) its analysis, appraisal, and evaluation of (A) the application, administration, execution, and effectiveness of the laws enacted by the Congress, or (B) conditions and circumstances which may indicate the necessity or desirability of enacting new or additional legislation, and

(2) its formulation, consideration, and enactment of such modifications or changes in those laws, and of such additional legislation, as may be necessary or appropriate, there shall be in conformity with Rule XV a Subcommittee on Investigations and Oversight.

(b) The Subcommittee on Investigations and Oversight and the appropriate subcommittee with legislative authority shall cooperatively review and study, on a continuing basis, the application, administration, execution, and effectiveness of those laws, or parts of laws, the subject matter of which is within the jurisdiction of the committee, and the organization and operation of the Federal agencies and entities having responsibilities in or for the administration and execution thereof, in order to determine whether such laws and the programs thereunder are being implemented and carried out in accordance with the intent of the Congress and whether such programs should be continued, curtailed, or eliminated. In addition, the Subcommittee on Investigations and Oversight and the appropriate subcommittee with legislative authority shall cooperatively review and study any conditions or circumstances which may indicate the necessity or desirability of enacting new

or additional legislation within the jurisdiction of the committee (whether or not any bill or resolution has been introduced with respect thereto), and shall on a continuing basis undertake future research and forecasting on matters within the jurisdiction of the committee. The Subcommittee on Investigations and Oversight shall in no way limit the responsibility of the subcommittees from carrying out their oversight responsibilities.

(c) The Subcommittee on Investigations and Oversight and the appropriate subcommittee with legislative authority shall cooperatively review and study on a continuing basis the impact or probable impact of tax policies affecting subjects within the jurisdiction of the committee.

Rule No. X.—Review of Continuing Programs; Budget Act Provisions.

(a) The committee shall, in its consideration of all bills and joint resolutions of a public character within its jurisdiction, insure that appropriations for continuing programs and activities of the Federal Government and the District of Columbia government will be made annually to the maximum extent feasible and consistent with the nature, requirements, and objectives of the programs and activities involved. For the purposes of this paragraph a Government agency includes the organizational units of government listed in clause 7(d) of Rule XIII of House Rules.

(b) The committee shall review, from time to time, each continuing program within its jurisdictions for which appropriations are not made annually in order to ascertain whether such program could be modified so that appropriations therefor would be made annually.

(c) The committee shall, on or before March 15 of each year, submit to the Committee on the Budget (1) its views and estimates with respect to all matters to be set forth in the concurrent resolution on the budget for the ensuing fiscal year which are within its jurisdiction or functions, and (2) an estimate of the total amounts of new budget authority, and budget outlays resulting therefrom, to be provided or authorized in all bills and resolutions within its jurisdiction which it intends to be effective during that fiscal year.

(d) As soon as practicable after a concurrent resolution on the budget for any fiscal year is agreed to, the committee (after consulting with the appropriate committee or committees of the Senate) shall subdivide any allocations made to it in the joint explanatory statement accompanying the conference report on such resolution, and promptly report such subdivisions to the House, in the manner provided by section 302 of the Congressional Budget Act of 1974.

(e) Whenever the committee is directed in a concurrent resolution on the budget to determine and recommend changes in laws, bills, or resolutions under the reconciliation process it shall promptly make such determination and recommendations, and report a reconciliation bill or resolution (or both) to the House or submit such recommendations to the Committee on the Budget, in accordance with the Congressional Budget Act of 1974.

Rule No. XI.—Broadcasting of Committee Hearings.

(a) It is the purpose of this clause to provide a means, in conformity with acceptable standards of dignity, propriety, and decorum, by which committee hearings, or committee meetings, which are open to the public may be covered, by television broadcast, radio broadcast, and still photography, or by any of such methods of coverage—

(1) for the education, enlightenment, and information of the general public, on the basis of accurate and impartial news coverage, regarding the operations, procedures, and practices of the House as a legislative and representative body and regarding the measures, public issues, and other matters before the House and its committees, the consideration thereof, and the action taken thereon; and

(2) for the development of the perspective and understanding of the general public with respect to the role and function of the House under the Constitution of the United States as an organ of the Federal Government.

(b) In addition, it is the intent of this clause that radio and television tapes and television film of any coverage under this clause shall not be used, or made available for use, as partisan political campaign material to promote or oppose the candidacy of any person for elective public office.

(c) It is, further, the intent of this clause that the general conduct of each meeting (whether of a hearing or otherwise) covered, under authority of this clause, by television broadcast, radio broadcast, and still photography, or by any of such methods of coverage, and the personal behavior of the committee members and staff, other Government officials and personnel, witnesses, television, radio, and press media personnel, and the general public at the hearing or other meeting shall be in strict conformity with and observance of the acceptable standards of dignity, propriety, courtesy, and decorum traditionally observed by the House in its operations and shall not be such as to—

(1) distort the objects and purposes of the hearings or other meeting or the activities of committee members in connection with that hearing or meeting or in connection with the general work of the committee or of the House; or

(2) cast discredit or dishonor on the House, the committee, or any member or bring the House, the committee, or any member into disrepute.

(d) The coverage of committee hearings and meetings by television broadcast, radio broadcast, or still photography is a privilege made available by the House and shall be permitted and conducted only in strict conformity with the purposes, provisions, and requirements of this clause.

(e) Whenever any hearing or meeting conducted by any committee of the House is open to the public, that committee may permit, by majority vote of the committee, that hearing or meeting to be covered, in whole or in part, by television broadcast, and still photography, or by any of such methods of coverage, but only under such written rules as the committee may adopt in accordance with the purposes, provisions, and requirements of this clause.

(f)(1) If the television or radio coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

(2) No witness served with a subpoena by the committee shall be required against his or her will to be photographed at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television, is being conducted. At the request of any such witness who does not wish to be subjected to radio, television, or still photography coverage, all lenses shall be covered and all microphones used for coverage turned off. This subparagraph is supplementary to subparagraph (g)(5) of Rule VII, relating to the protection of the rights of witnesses.

(3) Not more than four television cameras, operating from fixed positions, shall be permitted in a hearing or meeting room. The allocation among the television media of the positions of the number of television cameras permitted in a hearing or meeting room shall be in accordance with fair and equitable procedures devised by the Executive Committee of the Radio and Television Correspondents' Galleries.

(4) Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and any member of the committee or the visibility of that witness and that member to each other.

(5) Television cameras shall not be placed in positions which obstruct unnecessarily the coverage of the hearing or meeting by the other media.

(6) Equipment necessary for coverage by the television and radio media shall not be installed in, or removed from, the hearing or meeting room while the committee is in session.

(7) Floodlights, spotlights, strobelights, and flashguns shall not be used in providing any method of coverage of the hearing or meeting, except that the television media may install additional lighting in the hearing or meeting room, without cost to the Government, in order to raise the ambient lighting level necessary to provide adequate television coverage of the hearing or the meeting at the then current state of the art of television coverage.

(8) Not more than five press photographers shall be permitted to cover a hearing or meeting by still photography. In the selection of these photographers, preference shall be given to photographers from Associated Press Photos and United Press International Newspictures. If request is made by more than five of the media for coverage of the hearing or meeting by still photography that coverage shall be made on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

Such budget shall include necessary amounts for staff personnel, for necessary travel, investigation, and other expenses of the full committee and its subcommittees.

(c) The Chairman or any chairman of a subcommittee may initiate necessary travel requests as provided in Rule XIV within the limits of the consolidated budget as approved by the House and the Chairman may execute necessary vouchers thereof.

(d) Once monthly, the Chairman shall submit to the Committee on House Administration, in writing, a full and detailed accounting of all expenditures made during the period since the last such accounting from the amount budgeted to the full committee. Such report shall show the amount and purpose of such expenditure and the budget to which such expenditure is attributed. A copy of such monthly report shall be available in the committee office for review by members of the committee.

Rule No. XIII.—Committee and Subcommittee Staff.

(a) The professional and clerical staff assigned to the minority shall be appointed and their remuneration determined in such manner as the minority members of the committee shall determine within the budget approved for such purposes; Provided, however, that no minority staff person shall be compensated at a rate which exceeds that paid his or her majority party staff counterpart.

(b) The professional and clerical employees of the committee not assigned to a subcommittee or to the minority under the above provision shall be appointed, and may be removed, and their remuneration determined by the Chairman.

(c) The professional and clerical staff assigned to the minority shall be under the general supervision and direction of the ranking minority party member of the full committee who may delegate such authority as he determines appropriate.

(d) The professional and clerical staff of the committee not assigned to a subcommittee or to the minority shall be under the general supervision and direction of the chairman, who shall establish and assign the duties and responsibilities of such staff members and delegate such authority as he determines appropriate.

(4) Subparagraphs (1), (2), and (3) shall apply to six subcommittees only, and no member shall appoint more than one person pursuant to the above provisions.

(5) The staff positions made available to the subcommittee chairmen and ranking minority party members pursuant to subparagraphs (1) and (2) shall be made available from the staff positions provided under clause 6 of House Rule XI unless such staff positions are made available pursuant to a primary or additional expense resolution.

(6) Except as provided by the above provisions, the professional and clerical members of the subcommittee staffs shall be appointed, and may be removed, and their remuneration determined by the subcommittee chairman in consultation with and with the approval of a majority of the majority members of the subcommittee, and with the approval of the chairman.

(7) The professional and clerical staff of a subcommittee shall be under the supervision and direction of the chairman of that subcommittee.

Rule No. XIV.—Travel of Members and Staff.

(a) Consistent with the primary expense resolution and such additional expense resolutions as may have been approved, the provisions of this rule shall govern travel of committee members and staff. Travel to be reimbursed from funds set aside for the full committee for any member or any staff member shall be paid only upon the prior authorization of the chairman. Travel may be authorized by the chairman for any member and any staff member in connection with the attendance of hearings conducted by the committee of any subcommittee thereof and meetings, conferences, and investigations which involve activities or subject matter under the general jurisdiction of the committee. Before such authorization is given there shall be submitted to the Chairman in writing the following:

(1) The purpose of the travel;

(2) The dates during which the travel is to be made and the date or dates of the event for which the travel is being made;

(3) The location of the event for which the travel is to be made;

(4) The names of members and staff seeking authorization.

(b) In the case of travel of members and staff of a subcommittee to hearings, meetings, conferences, and investigations involving activities or subject matter under the legislative assignment of such subcommittee to be paid for out of funds allocated to such subcommittee, prior authorization must be obtained from the subcommittee chairman and the Chairman. Such prior authorization shall be given by the Chairman only upon the representation by the applicable chairman of the subcommittee in writing setting forth those items enumerated in (1), (2), (3), and (4) of paragraph (a) and in addition thereto setting forth that subcommittee funds are available to cover the expenses of the person or persons being authorized by the subcommittee chairman to undertake the travel and that there has been a compliance where applicable with Rule VII of the committee.

(c) (1) In the case of travel outside the United States of members and staff of the committee or of a subcommittee for the purpose of conducting hearings, investigations, studies, or attending meetings and conferences involving activities or subject matter under the legislative assignment of the committee or pertinent subcommittee, prior authorization must be obtained from the Chairman, or, in the case of a subcommittee from the subcommittee chairman and the Chairman. Before such authorization is given, there shall be submitted to the Chairman, in writing, a request for such authorization. Each request, which shall be filed in a manner that allows for a reasonable period of time for review before such travel is scheduled to begin, shall include the following:

(A) the purpose of the travel;

(B) the dates during which the travel will occur;

(C) the names of the countries to be visited and the length of time to be spent in each;

(D) an agenda of anticipated activities for each country for which travel is authorized together with a description of the purpose to be served and the areas of committee jurisdiction involved; and

(E) the names of members and staff for whom authorization is sought.

(2) Requests for travel outside the United States may be initiated by the Chairman or the chairman of a subcommittee (except that individuals may submit a request to the Chairman for the purpose of attending a conference or meeting) and shall be limited to members and permanent employees of the committee.

(3) At the conclusion of any hearing, investigation, study, meeting or conference for which travel outside the United States has been authorized pursuant to this rule, each subcommittee (or members and staff attending meetings or conferences) shall submit a written report to the Chairman covering the activities and other pertinent observations or information gained as a result of such travel, when requested by the Chairman.

(d) Members and staff of the committee performing authorized travel on official business shall be governed by applicable laws, resolutions, or regulations of the House and of the Committee on House Administration pertaining to such travel.

Rule No. XV.—Number and Jurisdiction of Subcommittees.

(a) There shall be 6 standing subcommittees. All proposed legislation and other matters related to the subcommittees listed under standing subcommittees named below shall be referred to such subcommittees, respectively:

(1) Subcommittee on Aviation
(2) Subcommittee on Economic Development
(3) Subcommittee on Investigations and Oversight
(4) Subcommittee on Public Buildings and Grounds
(5) Subcommittee on Surface Transportation
(6) Subcommittee on Water Resources

(b) The committee may provide for such additional subcommittees as determined to be appropriate; Provided, however, that such additional subcommittees are approved by a majority of the majority members on the committee.

Rule No. XVI.—Powers and Duties of Subcommittees.

(a) Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the full committee on all matters referred to it or under its jurisdiction. Subcommittee chairmen shall set dates for hearings and meetings of their respective subcommittees after consultation with the chairman and other subcommittee chairmen with a view toward avoiding simultaneous scheduling of full committee and subcommittee meetings or hearings wherever possible.

(b) Whenever a subcommittee has ordered a bill, resolution, or other matter to be reported to the committee, the chairman of the subcommittee reporting the bill, resolution, or matter to the full committee, or any member authorized by the subcommittee to do so, may report such bill, resolution, or matter to the committee. It shall be the duty of the chairman of the subcommittee to report or cause to be reported promptly such bill, resolution, or matter, and to take or cause to be taken the necessary steps to bring such bill, resolution, or matter to a vote.

(c) In any event, the report of any subcommittee on a measure which has been approved by the subcommittee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the clerk of the committee a written request, signed by a majority of the members of the subcommittee, for the reporting of that measure. Upon the filing of any request, the clerk of the committee shall transmit immediately to the chairman of the subcommittee notice of the filing of that request.

(d) All committee or subcommittee reports printed pursuant to legislative study or investigation and not approved by a majority vote of the committee or subcommittee, as appropriate, shall contain the following disclaimer on the cover of such report:

> "This report has not been officially adopted by the Committee on (or pertinent subcommittee thereof) and may not therefore necessarily reflect the views of its members."

(e) Bills, resolutions, or other matters favorably reported by a subcommittee shall automatically be placed upon the agenda of the committee as of the time they are reported and where prac-

ticable shall be considered by the full committee in the order in which they were reported unless the committee shall by majority vote otherwise direct. No bill reported by a subcommittee shall be considered by the full committee unless it has been delivered to the offices of all members at least 48 hours prior to the meeting, unless the chairman determines that such bill is of such urgency that it should be given early consideration. Where practicable, such bills, resolutions, or other matters shall be accompanied by a comparison with present law and a section-by-section analysis of the proposed change.

Rule No. XVII.—Referral of Legislation to Subcommittees.

(a) Each bill, resolution, investigation, or other matter which relates to a subject listed under the jurisdiction of any subcommittee named in Rule XV referred to or initiated by the full committee shall be referred by the Chairman to all subcommittees of appropriate jurisdiction within two weeks, unless, by majority vote of the majority members of the full committee, consideration is to be by the full committee.

(b) Referral to a subcommittee shall not be made until three days shall have elapsed after written notification of such proposed referral to all subcommittee chairmen, at which time such proposed referral shall be made unless one or more subcommittee chairmen shall have given written notice to the Chairman of the full committee and to the chairman of each subcommittee that he intends to question such proposed referral at the next regularly scheduled meeting of the committee, or at a special meeting of the committee called for that purpose at which time referral shall be made by the majority members of the committee. All bills shall be referred under this rule to the subcommittee of proper jurisdiction without regard to whether the author is or is not a member of the subcommittee. A bill, resolution, or other matter referred to a subcommittee in accordance with this rule may be recalled therefrom at any time by a vote of the majority members of the committee for the committee's direct consideration or for reference to another subcommittee.

(c) In carrying out Rule XVII with respect to any matter, the Chairman may refer the matter simultaneously to two or more subcommittees, consistent with Rule XV, for concurrent consideration or for consideration in sequence (subject to appropriate time limitations in the case of any subcommittee after the first), or divide the matter into two or more parts (reflecting different subjects and jurisdictions) and refer each such part to a different subcommittee, or refer the matter to a special ad hoc subcommittee appointed by the Chairman (from the members of the subcommittee having legislative jurisdiction) for the specific purpose of considering that matter and reporting to the full committee thereon, or make such other provisions as may be considered appropriate.

Rule No. XVIII.—Sizes and Party Ratios on Subcommittees and Conference Committees.

(a) To the extent that the number of subcommittees and their party ratios permit, the size of all subcommittees shall be established so that the majority party members of the committee have

an equal number of subcommittee assignments; Provided, however, that a member may waive his or her right to an equal number of subcommittee assignments on the committee; and provided further, that the majority party members may limit the number of subcommittee assignments of the Chairman and the subcommittee chairman in order to equalize committee workloads.

(b) On each subcommittee there shall be a ratio of majority party members to minority party members which shall be no less favorable to the majority party than the ratio for the full committee. In calculating the ratio of majority party members to minority party members, there shall be included all *ex officio* voting members of the subcommittees.

(c) Following shall be the sizes and majority/minority ratios for subcommittees:

(1) Subcommittee on Aviation: (27 members) (17 majority; 10 minority);

(2) Subcommittee on Economic Development: (22 members); (14 majority; 8 minority);

(3) Subcommittee on Investigations and Oversight: (19 members); (12 majority; 7 minority);

(4) Subcommittee on Public Buildings and Grounds: (12 members); (8 majority; 4 minority);

(5) Subcommittee on Surface Transportation: (28 members); (18 majority; 10 minority);

(6) Subcommittee on Water Resources: (25 members); (16 majority; 9 minority).

(d) The full committee Chairman shall recommend to the Speaker as conferees the names of those members (1) selected by the majority party members of the committee in a manner determined by them, and (2) selected by the minority. Provided, however, that recommendations of conferees to the Speaker shall provide a ratio of majority party members to minority party members which shall be no less favorable to the majority party than the ratio for the full committee.
